Good Morning Ryan,

Apologies in the delay in sending this to you but just wanted to thank yourself and your team for all the hard work that was put in to ensure both my little boys had a wonderful day on Sunday.

I was extremely pleased and impressed how attentive everyone was and the quality of the food, this was reflected in the comments that were made by our guests when leaving. I would have no hesitation in using your venue again and recommend your golf club for any function.

Just wanted to specially thank yourself and Elvive (apologies I suspect I may have spelt this incorrectly), for all your efforts on Sunday and prior to the event, we all had a lovely day and couldn't have wished for it to have gone any better.

Many Thanks and Kindest Regards
Nikki & Mark Giles
