Hi Martin

Just to say what a wonderful day we have had. The course was in really good condition and was challenging. The food was excellent. We have told the chef what a wonderful meal we have had. The vegetarian ladies were very impressed and they had a wonderful sauce which your chef had prepared to go with the dish. Please pass on our thanks to all your staff who were helpful and smiling.

I've informed our Match organiser that we would be more than happy to return to Stockwood Vale in the future (assuming you'll have us!).

Kind regards

Di Yates
