Mr. Michael Ramsay

Stockwood Vale Golf Club
Stockwood Lane,
BRISTOL. BS31 2ER

Dear Mr. Ramsay,

I am writing on behalf of our Lady Captain, Helen Hughes, our Treasurer, Tina Church, and all Ladies from Wenvoe Castle Golf Club, to thank you, the Club Manager - Martin Edinburgh, the Professional, and all your Staff for the excellent hospitality and service we received when we visited Stockwood Vale last Friday, 4 August.

Unfortunately, we were a little late leaving Wenvoe but when we arrived, the Professional had the keys in the buggies and all we had to do was choose a buggy and put the clubs on them. Then, the Catering Staff provided us with bacon rolls and Martin tea/coffee.

I was lucky enough to speak to you when I arrived with my playing partner and you introduced yourself and provided the code to the Ladies Changing Room, which I could then pass on to the other Ladies.

Many of us found the course challenging but in very good condition, which was all down to your Groundstaff.

After the game, the players with the earlier tee times, enjoyed a drink outside in the sunshine, before we were all served an excellent meal. We left Stockwood Vale at 7.30 p.m. in very good spirits.

We wish you continued success for the future.

Yours sincerely,

Wendy Motton
